Booth Size: 12' x 12'

Parking: Road side booths may occupy the curb space adjacent to their vehicle during the market (12' per booth). Grass side booths may load and unload on the street (and may be double parked) but must park in the Depot parking lot during Market hours.

If you have any questions about the Vendor Registration, please contact the Market Manager by phone or email.

Booth Fees

Beginning with the 2018 Market year, vendors will no longer be allowed to drive on the grass at the Depot/Market grounds. Vendors in lots not adjacent to the street are required to park on the street or parking lot for loading or unloading and vehicles should be in the Depot parking lot during Market hours. Due to the convenience of having a booth next to the road, these spaces have a slightly higher booth fee. **Road side booths are limited and will be assigned on a first come, first serve basis.**

Seasonal fees are a 25% savings over paying week to week. Seasonal fees require a 50% deposit to be included with the application and the balance due by July 1, 2018. Weekly fee must include the first week fee with the application, subsequent fees are due each week that you are at the market.

Make checks payable to **Evert Farmer's Market**

Grass Side (Closest to Depot building):
\$150/booth (seasonal fee)
\$10/booth (weekly fee if pay by week)

Road Side:
\$225/booth (seasonal fee)
\$15/booth (weekly fee if pay by week)

Fees are based on one booth spot. If you will be needing more than one spot because of a vehicle or trailer, please talk with manager about any additional fee.
