

## Household Hazardous Waste

Household Hazardous Waste (HHW) are materials that, if disposed incorrectly, can cause environmental damage by contaminating ground and surface waters, threatening human health and wildlife.

Disposing of these products in storm drains allows these materials to enter surface waters untreated. Pouring on the ground leads to potential ground water (drinking water) contamination. These wastes should not be thrown in the trash. Liquid wastes are not allowed in Michigan landfills.

The dangers of such disposal methods may not be immediately obvious, but certain types of household hazardous waste have the potential to cause physical injury to sanitation workers; contaminate septic tanks or wastewater treatment systems if poured down drains or toilets; and present hazards to children and pets if left around the house.

Please use a product completely, give the remainder to neighbors, or take it to the Household Hazardous Waste Collection Site. Empty containers can be disposed of with trash.

## **Clean Sweep is a simple and easy pesticide and mercury recovery program.**

### **Who can use the program?**

Any Michigan homeowner, farm, greenhouse, nursery, golf course or other end user of pesticides can use this service, but not dealers or persons who apply pesticides for hire.

### **What can I bring and how much?**

Old, unwanted, out-of-date or unusable pesticides can be dropped off for safe disposal. Bring whatever you have.

### **Tips for safe transport of hazardous materials:**

- Keep items in their original and labeled containers.
- Do not mix contents of unknown/unlabeled containers.
- Make sure that containers are not leaking prior to bringing them to a collection facility.
  - Inspect steel containers for rust, pinholes or deficient seams.
  - Place any leaking container in a clear plastic bag or leak proof container.
- Do not transport containers with open tops.
- Place chemicals in vehicle away from passengers.
- Secure all containers so they cannot slide tip or spill contents.

Now taking expired/unused medications.

All Conservation District programs and services are offered on a nondiscriminatory basis without regard to race, color, national origin, religion, sex, age, marital status, or disability.

# **Clean Sweep and Household Hazardous Waste Disposal in Lake, Mecosta & Osceola Counties**

## **October 13, 2018**

## **In cooperation with the Michigan Water Stewardship Clean Sweep Program**

*This service is provided to the residents of Lake, Mecosta and Osceola Counties and was made possible by the contributions of many businesses, organizations, foundations and governmental entities. Participation is free, but donations are greatly appreciated.*

**NOTE:** Last year we collected 32,499 pounds of household hazardous waste in the three counties, from 647 households. We appreciate everyone who participated. Thank You! If you would like to volunteer, call (231) 796-0909 x3.
