

# CITY OF EVART

## October 2018 Newsletter

Regular scheduled council meetings are the first and third Monday of every month unless there is a holiday. The following are the remaining regular council meetings scheduled for 2018:

October 1, 2018	November 19, 2018
October 15, 2018	December 3, 2018
November 5, 2018	December 17, 2018

**\*\*All meetings start at 7:00 pm at the  
Ewart Municipal Airport, 5814 100<sup>th</sup> Ave.**

### Leaves & Grass Clippings...

**ALL leaves are to be placed in biodegradable bags at this time.** The city will announce a date for loose leaf pick up from the curb. Until then please remember if you have leaves along the road that are not in a bag, they will NOT be picked up and it is considered a blight offense. Thank you for your patience as we provide this valuable service for our city. You can also visit city hall for a permit to take loose leaves, grass clippings and other yard waste to a specified location at Forest Hill Cemetery. Be on the lookout for loose leaf pick up dates posted on the City of Ewart website and Facebook.

### Brush Pickup...

October is the last month for brush pick up. Please ensure cut branches are stacked neatly with cut end facing the roadway. Placing brush on level ground away from trees or shrubs will make it easier for the equipment to pick up the brush cleanly and quickly. It may be several days before the brush crew gets to your neighborhood for pickup. Weather, equipment, holidays, or other factors may cause further delays in the brush pickup process.

### Assessing Fieldwork...

The city assessor will be finishing her residential fieldwork in the month of October. You may see her out around town. If you have any questions please call or visit city hall.
