May 10, 2019

Dear City Residents,

On Monday night before the council meeting, city council had a work session to review the revised medical marijuana ordinance. Will Thompson, attorney from Varnum Law Firm attended the meeting to help answer questions. City council hired Varnum Law Firm to revise their medical marijuana ordinance.

Attached to this letter is simply a **draft ordinance**. There were many comments and great suggestions made by council and members from the public. The draft ordinance has not been updated since Monday's work session. Please note this is a **draft document** and council will continue to make changes they feel are necessary and the public will be able to comment at council meetings as well. The city council will have a public hearing for the revised medical marijuana ordinance on June 3, 2019 during the regular scheduled council meeting.

During the meeting on Monday, members from the public requested they have access to the draft ordinance. Please contact me with any questions or comments. Thank you to everyone who participated in the work session. We appreciate and value your comments.

Sincerely,

Sarah Dvoracek
