Re: Bid Tabulations for the 5th Street and Recreation Avenue Improvement Project

Please find the attached bid tabulation sheet for the 2019 5th Street and Recreation Avenue Improvement Project. It is the recommendation of Dan Vos to accept the apparent low bidder Gerber Construction with a bid of \$328,180.00.

The price includes the initial base bid of \$255,000. Alternate #1, which is a side project that Ice Mountain is completing for the fairgrounds that does not include any city infrastructure. Alternate #1 will entail grading and paving of fairboard driveway west off Recreation Avenue 400 ft. south of 5th Street (\$14,880) and alternate #2 includes milling and repaving a section of Lauman Road south of US-10 to a depth of 5", fine grade existing gravel and adjusting 1 catch basin top, installing 3" HMA 3C and installing 2" of HMA 4C (\$58,300).

Please note, this entire project is part of the city's contract with Nestle/Ice Mountain. The project will be funded by Nestle, not the city.
