Dear Sarah:

I am writing on behalf of the Aspen Institute and the Aspen Ideas Festival, the flagship event of the Institute which takes place each summer in Aspen, Colorado. The Festival will run from June 23-June 29, 2019. Each year we offer scholarships to remarkable leaders across the country and beyond. **As you may know, you have been nominated by Nestle Waters North America to be a scholar at the Aspen Ideas Festival.**

I am thrilled to let you know we have made our selections from a very competitive list of nominations, and we would like to offer you a scholarship to **Festival 1 (June 23-June 26)** of the 2019 Aspen Ideas Festival, which **includes a pass to the Festival**. If you decide to accept our offer, you will be required to [register](#) through our online system within the next week.

Please reach out to the contact at your nominating organization, **Nestle Waters North America**, for next steps regarding your lodging and travel accommodations.

Please visit the [Ideas Festival website](#) where you can find more information on the Festival, program tracks, and a speaker list that will be continuously updated as we get closer to the Festival.

Your scholarship is made possible by the sale of "Patron Passes" which are sold precisely for the purpose of offering these scholarship opportunities. You will have an opportunity to meet some of these patrons at the Festival.

You are free to attend any of the sessions offered during the Festival, and you set your own schedule! As we get closer to the event start date, my colleagues will be in touch with ways to connect with other scholars prior to your arrival in Aspen, as well as with further logistical information. **If you are able to accept this scholarship with the terms outlined in this letter, please [complete your registration](#) by Friday, May 10th, 2019.**

If you choose to decline, please [click here](#), or let me know via e-mail as soon as possible.

For questions, please contact me at christen.cromer@aspeninstitute.org. I am happy to provide more information about the Aspen Ideas Festival, the Aspen Institute, or Aspen in

general. I look forward to hearing from you and meeting you this summer!

I join Dan Porterfield, Elliot Gerson, and Kitty Boone (Festival Founder) in extending to you a warm welcome. We sincerely hope you will join us.

Best,
