

February 2019 – Monthly Report

February Trainings:

Chief Beam attended the Michigan Association of Chiefs of Police Winter Conference in Grand Rapids. Chief Beam also attended several leadership classes that covered topics such as: fundamentals of decision making, handling/resolving conflict, and department management.

Administrative Assistant Teresa Swift-Eckert attended the Law Enforcement Records Management Winter training session in Mount Pleasant. Topics covered were records retention and confidential document destruction.

Our new in-car and body cameras were delivered the last week of February. The body cameras were put in to use immediately while the in-car cameras await installation at Pro-Comm Inc. in Mount Pleasant. The old body cameras will be used by our reserve officers. Some benefits of having cameras are:

- Risk avoidance/civil liability
- Improved evidence collection capability
- Personnel accountability
