Evart Mayor & City Council
5814 100th Ave.
Evart, Mi 49631

Dear Mayor & Council,

As you are aware, the Evart DDA / MMS Board of Directors has been working diligently at developing a strategy and plan to meet the expectations of the Michigan Main Street Program (MMS). Part of this work has been to identify weaknesses in the current DDA / MMS Board operations. Through this process it was identified that the current DDA / MMS Board term expiry dates had the potential to leave the board exposed due to excessive term expiry. To ensure the DDA / MMS Board remains strong, and allows for smooth transitions between new and existing members, the current board expiry dates have been updated.

This update of expiry dates will allow the board to remain robust and assist in providing the proper training and support of new members regarding the MMS program and economic development strategies for the Evart downtown area.

Please contact me if you require further information or wish to discuss.

Best Regards,

A handwritten signature in black ink, appearing to read "Bryan Tiedt".
